Cross Reference

The MBA Part Numbers in this cross reference are determined to be equivalent or similar to products offered by manufacturers and suppliers who use the part number shown in the "Other Part Number" column. Please ensure the product offered meets your needs before ordering. You can check the full details, dimensions and description of the product we offer on our website, or by requesting a datasheet.

Copy our part number from this catalogue into the search box on any web page for delivery, stock levels and pricing.
